

Brunswick is...

Brunswick is...

What does **Brunswick** mean to you?

Show us **your Brunswick** through photos. We are running a photography project to capture a snapshot of Brunswick - the places and people that represent your community.

If you are interested in attending **FREE photography training** starting with a guided photography walk around the area, then contact Hannah,
E: Hannah@macc.org.uk T: 0161 834 9823

The **six sessions** will run from February 2014, Tuesdays, 12.30pm-3pm (4, 11, 18 and 25 February, 4 and 11 March) at Brunswick Parish Church and will end in an exhibition showing what Brunswick means to the people who live here. Equipment will be provided. No previous experience needed.
