Sunera from Brunswick came to one of our recruitment open days in November. She said “I saw a really friendly lady from the recruitment team. I was a little bit worried because I didn’t have much experience. I found my chat with her really helpful and now I am working for the agency doing administration and application screening, and it’s a permanent job! It’s brilliant!”

Jon from Brunswick approached The Works after being unemployed for 5 months. Jon said “The Works really helped me with my confidence. Not only that, but they found me a temporary job at the university library, which has now been made permanent. The endless cycle of unemployment has finally come to an end for me”
