

DD incentive T & C's

At the end of each financial quarter (1/4, 1/7, 1/10, 1/1) all customers who currently pay any amount of rent via direct debit will be entered into a prize draw. A cash prize of £100 will be awarded to the winner selected at random.

A customer must have had a live direct debit in place throughout the entire qualifying period. The qualifying periods are as followed:

1/1 – 31/3 for the draw on 1/4

1/4 – 30/6 for the draw on 1/7

1/7 – 30/9 for the draw on 1/10

1/10 – 31/12 for the draw on 1/1

If a customer's direct debit fails during the qualifying period, that customer will be disqualified from the next available draw regardless of whether the payment is made back up.

In the event that the winning customer has any outstanding arrears with S4B, the funds will be used to reduce the outstanding debt. The debt which is reduced will follow in line with the corporate debt policy.

A customer must have a weekly shortfall to pay

The incentive is available to tenants who rent directly from Manchester City Council only.
