NEIGHBOURHOOD NEWS

22.05.2017

In memory of those tragically killed or injured.
Always in our hearts – never forgotten.

We've all been shocked and saddened by the tragic incident at Grenfell Tower in London this week. Our thoughts go out to the victims and everyone affected.

S4B would like to reassure all our residents that we have robust fire systems in place but in light of this incident, and similar to many other housing providers, we'll be carrying out a full review of these arrangements.

All residents living in high rise blocks should now have received their fire safety information pack. If you have not received yours, please get in touch.

We will also be writing to all residents about fire safety.

Visit the S4B website to view the current fire safety statement, and for regular updates.

For more info call: **0300 555 0128**, **info@s4bmanchester.co.uk** or call into the S4B housing office to speak to a member of the team.

To book a Safe and Well visit from Greater Manchester Fire and Rescue Service call: **0800 555 815**.

Cash no longer accepted

You will need to visit a PayPoint outlet using your rent card.

From 1st September, cheques will no longer be accepted at the housing office.

More information on ways to pay, details of how you can view your rent statement and a list of your local PayPoint outlets can be found on the S4B website.

If you need a new rent card, or help setting up regular payments, we are here to help, just visit the office or call us on 0300 555 0128.

Natwest Bank on Oxford Road is closing in October 2017. If you want to move your banking online, see the branch for more information.

From October, Universal Credit (UC) will become more digital for Brunswick customers.

This means you will only be able to make a claim, record your job seeking and report any changes in circumstances via an online account.

If you are already in receipt of UC you will be invited, by the DWP, to re-claim using this new digital platform. You must do this within six weeks to ensure you don't lose out on money.

If you need help getting online please get in touch - we can help you do this.

In June, quarter one 2017/18 invoices will be issued to right-to-buy leaseholders.

And in September Annual Service charge budgets for 2017/18 will be issued.

Estimated day-to-day costs for 2016/17 are to be compared against actual costs. We will then let leaseholders know if the difference is a shortfall or if a credit adjustment is to be made on this years' account.

If there is a shortfall to pay, leaseholders will be invoiced in December.

All customers who are in arrears will be contacted before the end of June but it's never too late to get your account in order.

Contact S4B to make an arrangement to clear your arrears today. This includes ground rent for those customers who only pay that.

Don't risk being taken to court!

Worried about making ends meet during the summer holidays?

It is important that your rent is your priority payment.

If you're struggling to pay, please get in touch, we're here to help - tel **0300 555 0128** or email **info@s4bmanchester.co.uk**

Jane's New Home Joy

A delighted resident is living happily in her new home, complete with state of the art lift, thanks to the regeneration programme.

Jane Gorman, was rehoused following news her existing home was to be demolished, to make way for the next phase of development which will breathe new life into the area.

The homes for rent have been designed to allow for adaptations such as Jane's and can be easily converted back to the standard design if required.

Jane said: "It was quite difficult for me to come and go in my old property and I did not get out very much.

I am so much more independent now and it is so much easier for me to get out and about. And the lift is a dream come true. I couldn't be happier".

During the winter there is Saturday sports fun, and during the Easter and school holidays there are multi-sports events, such as football, dodge ball, badminton and soft cricket, with trained coaches on hand.

Mike said: "All of the sports are mainly aimed at young people aged 10 to 16 but we encourage children to start as young as possible to get into sport and get active."

"The sessions are very well established and there's a great mix of kids."

"Josh and Taylor are two of the lads who used to come to the sessions as youngsters and they now come along and help as sports champions. We're all really proud of them and what they've achieved".

Brunswick Pantry Opens its Doors

A new alternative to food banks has launched in Brunswick to help residents with their weekly shop.

Located at the Salvation Army on Grosvenor Street and set up by Community Interest Company, Hope is the Key, the pantry charges residents just £2 in exchange for a selection of goods ranging from tinned food to toiletries and run by a group of volunteers from the local area.

Director, Alishia Johnson, 32, said: "Local shops are being shut, costs are going up, and people are struggling. But many people don't want to use food banks, people still want to pay their way, even if it's a small amount."

Contour's community investment officer, Steph Hill said: "Volunteers have created a really friendly and relaxed atmosphere at the pantry to support people. It is great to see local partners come together to fill a much needed gap in services which will be a great benefit to our customers and the neighbourhood".

Brunswick Pantry is open every Saturday, 10-12pm. To find out how you can donate items, please contact Alishia on **07464 036317**.

All households in Brunswick will have now received notification from Manchester City Council about the proposed extension of the resident parking scheme and traffic calming features.

The pack includes a detailed Q&A plus copies of the plans.

A drop-in session was held at the S4B housing office on Thursday 22nd June for residents to come along and discuss the proposals.
