Brunswick

NEIGHBOURHOOD NEWS

Merry Christmas from all at S4B

Christmas has landed in Brunswick

On Friday, 1st December, residents came together for the Christmas light switch on in Gartside Gardens.

The weather was super chilly but all added to the ambience to mark the start of the festive season for 2023.

Christmas songs were playing and everyone had a good sing along. There were warming drinks such as hot chocolate and Vimto plus lots of seasonal treats.

Councillor Tina Hewitson came along to the event and said: "It was so good to see so many of the community coming together to mark this special occasion, despite the very cold weather.

It was a great way to get Christmas off to a flying start in Brunswick and lovely to see so many smiling faces. Well done to all involved".

And on Saturday 16th December, Brunswick Jingle came to Brunswick Village. Turn to page two to see photos from the event.

Jingle ALL THE WAY

On Saturday, 16th December, Brunswick Jingle came to Brunswick Village.

It was an afternoon full of festive fun and games, all topped off with a special visit from the man himself, Santa!

Look out for more events being organised by Lightime CIC and BTARA in 2024.

Lord Mayor visits Mid-Autumn Festival

Hundreds flocked to Gartside Gardens to join in the celebrations for Brunswick's Mid-Autumn festival and night fair.

Supported by S4B, the Lightime CIC team successfully delivered another magnificent event for the whole community and visitors to enjoy.

The Mid-Autumn festival, also known as the Moon Festival, is celebrated in Chinese culture. Lanterns are traditionally made as part of the event and symbolise lighting the path to prosperity and good fortune.

Members of the Brunswick community attended craft classes to make their own lanterns which were displayed around Gartside Gardens and

as night fell, the lanterns were lit to be seen in all their glory.

Activities on the night included cultural and artistic performances, unique delicacies, games, wish card writing and tattoo stickers, all topped off with a lucky draw and dazzling firework display. There was also a selection of stalls with budding traders selling their wares and handmade crafts and stalls selling authentic treats.

Brunswick Bonanza is back!

The event which took place on Monday, 20th November, 2023, at Brunswick Parish Church, was another bumper sized event with lots of information, hints and tips to help see you through the winter and beyond.

There was everything from cost of living and home energy advice to health and wellbeing and crafts, plus jobs, training and volunteering opportunities. All this and much more. There really was something for everyone.

There was even a spectacular Tai Chi demonstration by the lovely ladies from the Wai Yin Centre, very zen and very inspiring, a great way to keep both body and mind active. There was a delicious free lunch complete with cake and a free raffle with great prizes such as gift vouchers.

Support is available 365 days a year, not just for the event, so if you were unable to attend here are some useful contact details:

DARKER NIGHTS Crime Prevention Advice

Now the darker nights are here, it's time to think about home security especially during the late afternoon and evenings. Although our area continues to be a safe place to live, most burglaries are carried out by thieves during the darker hours.

By taking some simple steps you can reduce this potential opportunity from happening to you:

- ✓ Keep windows and doors locked and secure at all times, whether you are in or out of your home.
- ✓ Keep valuables out of sight and out of reach of cap flaps, letterboxes, downstairs doors and windows, including car keys.
- ✓ Make your home look occupied when you are out - draw your curtains, leave a lamp on or leave a radio playing.
- ✓ If it will be dark before you get home, set your lights on timer and consider fitting a burglar alarm.
- ✓ A thorny hedge along the boundary of your property may put thieves off, as may a gravel path, as it's noisy to walk on.
- ✓ Keep gates, garages, sheds or outbuildings secure and ensure no tools are left outside.
- ✓ Make sure your house is visible from the street - keep shrubbery and hedges at the front of the house pruned.
- ✓ Be careful when opening the door to unexpected visitors - prior to opening the door use a peep hole, window or a Ring doorbell to see who is visiting and use a chain on the door.
- ✗ Never let anyone in your house unless it is someone you know and trust. Do not be tempted to deal with businesses who call at your door.
- ✗ Never leave a spare key outside of your house.

We encourage people to be a good neighbour and to contact the police if you see anyone acting suspiciously in your area on the below contact methods.

In an emergency always call **999**, non-emergency **101** or click the chat option on the main GMP website. Information about crime can also be shared anonymously via, the independent charity, Crimestoppers on **0800 555 111**.
