HOUSING PERKS

We're partnering with Housing Perks to give you access to discounts on your everyday shopping at over 100 shops and online stores.

Housing Perks is a free app offering up to a 20% discount at supermarkets, high street shops and online stores like ASDA, B&M, Sainsburys, Morrisons, Primark, Argos, TK Maxx and more.

Simply download the app by searching for 'Housing Perks' or **scanning the QR code** on your mobile or tablet device.

HOW IT WORKS

By using the Housing Perks app, you can choose to either get a direct discount (paying £16 for a £20 voucher for example) or put your discount into a pot which will automatically go towards your rent payments/arrears.

Simply search for and select the brand you would like to get discount for, enter the amount you would like to spend and press pay securely. You can then view the discount voucher in your 'Wallet' within the app and use it in store or online. You can also print it out.

If you'd like to put your discount into a pot, once you've signed up, tap the 'Rent' icon in the menu at the bottom of your screen, then tap 'Rent Contributions' and make sure it is set to 'On'.
