Tenant Satisfaction Survey 2025

Your views are really important to us and this survey will help us better understand what you think about your home, the neighbourhood you live in and the services that we provide. It will help us better understand our performance, what we are doing well but also the areas we can do better

The results from this survey will be used to calculate the annual Tenant Satisfaction Measures which is a legal requirement from the Regulator of Social Housing. The overall outcome of the survey will be published by us and the data collected from the survey will be sent to the Regulator who will publish the results on their website.

You can complete the questionnaire anonymously however, where any personal information is received, this will be kept strictly confidential. The survey should take you approximately 10 minutes to complete.
